associated with him.

The Museum holds a regular series  
of events which are supported by the

## OLIVER CROMWELL

Oliver Cromwell has long been a controversial character, but his importance as a key figure in our history has never been in doubt.

Born in Huntingdon, he rose from obscurity to become the most powerful man in England. The only commoner ever to have been offered the British Crown, he remains one of the greatest and most complex characters in British history.

## FRIENDS OF THE CROMWELL MUSEUM

The Friends group was formed in 2013, with the purpose of supporting the work of the Cromwell Museum in promoting knowledge of the life and legacy of Oliver Cromwell. It subsequently led the campaign to save the Museum from closure.

Everyone needs friends and the Cromwell Museum is no exception. If you think you could help out with fundraising, publicity, organising events or just by supporting the work of the Museum with your Subscription, we need you.

## BENEFITS OF MEMBERSHIP

As a Friend, you will have access to early booking for museum events at a reduced price and will be sent regular newsletters with news of future plans and details from behind the scenes of the Museum.
